Cowl, replacing

As the illustrations in this service information are used for different model years and / or models, some variation may occur. However, the essential information in the illustrations is always correct.

Removing the plenum chamber

Remove:

- the windscreen wipers. See Wiper arm / blade windscreen, replacing
- the 6 clips.

Press the centre section of the rivet head on the four front clips.
Lift up the centre section of the other two clips.
Lift out the cowl.

Installing the plenum chamber

Install the cowl.

Note! Check that the guide clips underneath the cowl are in the correct position in relation to the windscreen.

Install:

- the 6 clips
- the windscreen wipers. See Wiper arm / blade windscreen, replacing.
